**this is, the LEGAL CONSTITUTIONAL DEMAND: AS A LEGAL
CITIZEN, ENTITLED.**

CONFRONTING: TERRORISM IN THIS USA; the plot and
planning to control and deter; THE LEGAL RIGHT, to REDRESS
OF GRIEVANCES.

*"OUR power of the people, by the law of democracy":
to rule over/ to protect: ourselves.*

Which means: WE THE PEOPLE WILL DECIDE FOR
OURSELVES; NOW. *If the insane; shall gamble all life on
earth. Shall be allowed to ignite a nuclear fire (an atomic
bomb; that will not stop). "just like the sun; here". 130
major experiments/ trillions spent.*

PROVE TRUTH; HOW WILL THE FIRE BE CONTROLLED?

THIS IS THE DEMAND FOR REDRESS OF GRIEVANCES;
AS IS CONSTITUTIONAL LAW. "WE DECIDE NOW"!
And if not; the critical legal reasoning: BY YOUR SIGNATURE.
which will be evaluated for TREASON AND ITS PENALTY.

The insurgency: To destroy constitutional law: is BEYOND
TREASON.

*Because our world, and all its life are in danger of
extinction.*

Those involved in that betrayal of our nation, even our
world;

are owed the punishment they deserve; for their acts of terrorism. TO PROTECT a violence beyond comprehension; from its truth.

35

Knowledge is not terrorism: but decisions to manipulate that knowledge into the destruction of life or its survival or its world or its future, even as a nation; is. To play god as “devil”/ to respect life and world; shall not be gambled with: is not. WE CANNOT, let them be wrong! Or, we, as well as our world of life: is extinct.

40

DATED: 4/13/ 2026 number # _____

45

CRITICAL to this USA; is the truth of our existence. The constitutional preamble is dedicated to what our society demands of this government as WE THE PEOPLE have decided it should be. And every amendment is dedicated to the freedoms and guarantees of rights owed to every member of this society; as best we can; with liberty (yes we can) to guide our way; by law. None is more important than the first amendment of those rights, in protection of our lives. LIFE does not change, it is what it has always been: existence of time.

50

BEING CURSED; BY THE INSURGENCY OF UNIVERSITIES “KNOW BETTER”/ and have sought to remove all rights, truths, and guarantees. The rebels of anarchy have trained the indoctrination of their religion called evolution; against life, nature, energy, child, world, resources, habitat, oceans, extinction of species, and every form of anarchy possible for them to do. Surrounding us all with threats of extinction, as a world/ or as a nation; as their result. “claiming we will all die anyway”/ because of what they changed.

55

WE THE PEOPLE IS THE FOUNDATION OF THIS NATION, AND ITS CREATION OF DEMOCRACY/ ITS GUARANTEES OF FREEDOM AND RIGHTS, are the foundation of our existence as a society. University in charge; is proven by their curse upon our preamble: as is nothing chosen by us, has been protected or accepted by our employees of government; them. Nothing has been protected or accepted as a primary guarantee of our constitutional society. They do, as their cult members of government do: intend to dismantle and deny the very foundations of our government which is the constitution of our chosen WE THE PEOPLE DEMOCRACY government.

60

65

We begin with the preamble: “we the people, in order to form a more

70

perfect union [to honor and respect the courage to dismantle power, so that democracy exists for all] WORLD LAW NOT LEADERS DOES THAT. TO establish justice [to remove the influence of power decides, over us all] REMOVING POWER OVER THE COURTS; TO BE GOVERNED BY THE PEOPLE THEMSELVES; DOES THAT. insure domestic tranquility [to give legal voice “rights”, as equals, to all] LIMITED CAPITALISM IS FAIR PLAY. TO provide for the common defense [to insure a healthy; every life has a chance, economic purpose] IS TO PROTECT CURRENCY BY TYING IT DIRECTLY TO A CENSUS COUNT; “SO MUCH PER PERSON” AND NO MORE. TO promote the general welfare [definitions of justice, which is equal to fair play; and stability, laws decide not people or their claim of expertise, or religion] REMOVES DEBT CREATION BY OUR EMPLOYEES. CONTROLLING THE CURRENCY BY CONSTITUTIONAL LAW; MEANS WE CONTROL OUR OWN LIVES/ ALLOWING NO ONE, to use the inflation of currency as a weapon against us all. STABLE currency/ IS STABLE LIFE; you cannot destroy me, or my work: IN SECRET ANYMORE. And that protects all forms of business, industry, worker, and society AGAINST “government”. You are NOT allowed; is democracy by WE THE PEOPLE/ the game is dead. NO more forcing people into bankruptcy. TO secure the blessings of liberty to ourselves [defend/ never attack, means peace first] DEMANDS REDRESS TO INSURE WE THE PEOPLE RETAIN OUR RIGHTS OF OWNERSHIP. TO and our posterity [do not destroy or gamble with the future of life or world; constantly under attack by universities] REQUIRES RESOURCES TO SURVIVE, do ordain and establish this constitution [our government/ we are the owners here] CHANGING OUR OWN CONSTITUTION AS WE DEMAND; WITHIN THE LAW OF JUSTICE, for the United [we the people, defending ourselves with redress/ not war] INVESTIGATING THE FACTS FIRST; FOR States of America”.

The universities insurgency to remove all the guarantees of this preamble [screaming quietly we are in charge now] and its amendments has been constant [they cannot stop us]/ as the takeover of our government has been under attack [by the constant of counterfeiting currency/ failing infrastructure/ denying reality and its truth/ gambling with our world and its nature/ removing every form of security known to exist/ refusing to pay debts/ cursing healthcare with extortion/ inflicting slavery to universities with debt/ by a majority of the citizenry; cursing the world with human experimentation of life and self: by universities demanding superiority over life itself (power to decide, we can play god), and claiming expertise [pride to: remove we the people, from our government] by destroying democracy [our law/ not your rules] itself. Failure is massive; “university decided”.

The pure attack, and deliberate intent to deny; our first amendment law of rights and guarantees to every person. Is listed as the four guarantees of that demand: OUR EMPLOYEES SHALL NOT discard, dismember, or deny

these elements of our society. The first amendment of our constitutional government reads:

115 “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof.
Or abridging the freedom of speech.
Or of the press.
Or the right of the people to peacefully assemble, and to petition the
120 government for a redress of grievances”.

the universities insurgency has replaced religion in this state and nation with EVOLUTION, as is their religion. Because it has no proof of reality/ accepts no law of truth/ and is built entirely upon the assertion “this looks
125 like that” is enough to declare “we are right”/ as all religions do. THAT IS AGAINST THE LAW; AND THEIR INSURGENCY AGAINST OUR NATION HAS BEEN TO INDOCTRINATE EVERY CHILD IN THE SWILL AND SEWAGE OF THEIR DELUSIONS. Offering instead; that evolution is enough to disrespect NATURE with genetic mutilation of universities play god with our world, and its survival of a living
130 organism as did bring us all to our own existence. The claim “to learn”/ when compared to: “ONE SEVERE MISTAKE” ENDS LIFE ON EARTH; proves the cost of their fantasy is too high; and shall NOT be done. The claim of chaos or time did this; has no proof in existence: pure religion of fools.

The propagation of “university expertise” has taken away the freedom of
135 speech that is inherent in the public right/ by using media propagation of their fantasy and delusions to overwrite and deny all forms of “no diploma speech”. Using gossip and ridicule as their right to control what the people believe is true; is a religion of superiority consistent with communism: “only the superior ones” have a right to decide. By controlling all conversation
140 through media; to, and by: their own propagation of beliefs. The fantasy and delusions of imagination is enough; while as the last fifty years+ have proven to be LIARS, THIEVES, CHEATS, TRAITORS, AND TERRORISTS are in charge/ and have destroyed the foundations of our democracy. By nazism, and the delusion of knowledge without evidence or facts critical to truth; as would be COVID.
145 The twenty four hour a day for a year hypnosis by media attack; of YOU CAN'T ESCAPE our rule over you. As did result in “everything; the universities wanted”. Because they are the rulers here/ not our democracy.

The defeat of “freedom of the press” is absolute, and constructs a clear attack on democracy itself. Resulting from the sale of all broadcast media
150 platforms to a tiny few participants of power. That now control the propaganda used to control the entire populace of this USA, by their intent to create even more power for themselves. Having reduced the human factor of

freedom: TO BELIEVE whatever; the media says. The owners control the editors/ and the universities control their students; graduating mice to carry on the claim of “university knows everything/ universities is god”, journalism. “the mark of Hitler”. Without questioning their cult leaders; in any conceivable way. Which brings the cult of Satan (destroyers of a world): to our own door. Satan means: “to destroy a living world of Creation”! By fools.

The cult of universities play god over life and nation; is absolutely evident in every trial presented by James Frank Osterbur over time to both state and nation. Each level of courtroom which includes the supreme court of both state and nation: REMOVES CONSTITUTIONAL LAW, by being taught to remain silent/ and never let the constitution into trial. Thereby functionally protecting ONLY THE POWER AND PRIDE of their own insurgency to remove WE THE PEOPLE from our own government. NEVER has their been a redress trial in this nation; because it removes power from our employees/ and demands WE THE PEOPLE WILL DECIDE NOW; as is the right and the solution for governing ourselves by investigation of the facts/ and then a vote of confidence or imprisonment to those who did not do as they swore to do for us; as our own employees, who were given their job/ BASED UPON their oath of office.

EACH OF THESE CRIMINAL ASSUALTS ON OUR DEMOCRACY/ which guarantee a degrading or dismantling or denial of rights and law used to protect our democracy from those committed to tyranny; are an attack on this USA. A criminal act; whose purpose is to create anarchy and rebellion/ With the deliberate purpose of destroying America/ by replacing it with “university decides/ university removes truth/ university creates debts which cannot be paid/ and universities destroy the very foundation upon which our nation, and our lives depend”. As has been done; by universities expertise decides now. ***While the evidence of their last fifty years of trying to rule; proves a list of threats to world survival, as governed by the extinction of our lives based upon their own playing god with life and world; as is consistent with Satan.*** Which means [destroyer of life and world] an absolute fact; with genetic mutilation of nature, by adding chaos/ the destruction of ALL resources, to hide failure with garbage/ attempts to ignite a nuclear fire, to prove “we can be gods”/ and removal of democracy ITSELF; to install only the superior ones of universities will decide now. As is the destruction of democracy; which rules by, WE THE PEOPLE WILL DECIDE FOR OURSELVES, by our vote on the evidence; NOW! The cost of being wrong, decides what is true, to life or world! The cost of wrong; proves the delusion and fantasy of universities without a brain to respect life or living or values of truth. Instead of truth by democracy, our law/ the insidious threat of rules created to overturn democracy, and its constitution exists.

195 Development of fact: NO EMPLOYEE has control over the constitution of this USA OR STATE OF IL. Including the judiciary. As is plainly portrayed in constitutional law article 3 “under the constitution”.

200 The constitution of our government DOES have control over each and every employee; as well as the public venue of options to participate in the DUTY OF GOVERNING OURSELVES. There is no future without true birth control/ children grow. Or agriculture, as must be saved from attack.

205 The demand to protect the sanctity of our law, by constitutional review of our decisions as a nation. Governed, with decisions that do not allow our employees to disobey. Making the criminal contempt for our constitution; an act of rebellion so destructive; that it removes all authority to claim “an employee of our own”. Which means the enemy is here among us; giving commands to use our taxation/ to use our nation/ to use our securities; for the purpose of defeating us as a nation. The enemy of our constitution; is the enemy of us all: refusing to obey constitutional law “as is redress”/ identifies TRAITOR among us. It is our duty to deny that authority. It is our duty; to create the courtroom of our REDRESS; to judge our employees/ and resurrect our democracy. PROVING WE OWN, this nation.

210 THE LAW called WE THE PEOPLE; is in charge of our democracy.
So it has been, and so it shall be considered, by that law: OUR GOVERNMENT. The society we formed, with the sacrifice of human lives. WILL NOT be betrayed any longer. Nor will life or world or child; as is the method of universities “religious chaos, mayhem of disrespect, and desertion of life and world, by refusing to care”. Creates a duty to us all, to defend ourselves; by overriding our government employees; with their cult of followers have invaded our nation and our lives. Who are deliberately gambling with our destruction; in ways that cannot benefit anyone on earth! Universities claiming “we will be god”.

225 *Terrorism means; to coercive human decisions/ by confronting the people with fear. The death of our government, death of nature, death of earth, death of resources, death of water, end of ocean life, death by overpopulation, death by global warming, death by ozone losses, death by war with weapons of mass destruction; end of our democracy, demanding only the universities shall decide; end of securities based upon money, business, industry, or all others; as is the cost of universities in charge: are all based upon fear as was COVID. The curse of universities cultivating fear, on this world! The need to hide, and run away from truth. By proving: the universities can't save us/ BUT THEY CAN KILL US. Creates; The need to worship the religion of university power over us*

235 *(hide/ fear/ believe), as is evolution/ and its cult worshiping those who
control you by playing god with their fantasy and delusions in charge.
None more so that genetic chaos/ or trying to ignite a nuclear fire
“trillions spent”. But they cannot control what they describe as a MILLION
240 MILE LONG FLAME; same as the sun. Same fire/ same result is the obvious
truth! Wrong is HADES ON EARTH, consumed by fire beyond terror.*

**TERRORISM: the unlawful use of violence: as EXPANDS THE CURSE of
violence by universities: against our democracy. Into the criminal contempt
of extortion as is healthcare/ the criminal extortion of counterfeiting currency,
245 and creating debts to enslave us all/ the criminal extortion of covid (initially
\$ sixty thousand dollars per shot)/ the criminal extortion of university religion,
evolution; and its indoctrination of every child/ the criminal dismemberment of
all things business and industry, we depend upon; ending the freedom of life
for every worker, by forcing slavery [there is nothing else]/ the criminal
250 extortion of ruining, raping, and destruction of every resource; ending the
future/ the criminal insurgency of universities take control over state and
nation as they surge into every form of politics to decide for us/ the criminal
rampage of poisoning the water supplies we cannot undo, the criminal
destruction of oceans, habitat, extinction of species, denial of truth as with
255 global warming; to hire the liars and propagate with media sold to power, our
imminent death/ not life. The intimidation by media to remove all forms of
complaint/ complete control over courts which quietly suppress, all forms of
legal protest/ governments which have no basis in reality of facts, but will
gamble our very world based upon delusions and unproven fantasy of fools/
260 denial of the cost for being wrong, gambling with existence itself. Especially
used against civilians, in the pursuit of political aims:**

**the overthrow of our democracy. USED, to play god with life and earth and
child; as is found everywhere universities are. Which is everywhere power exists to
steal, lie, cheat, betray, and terrorize the public: by playing god over life and
265 nation.**

**A public denied the reality: of Fully understanding: “these are merely former
classmates of our own”/ NOT gods. People filled with mistakes, and failures: that
can now take our own lives and world; to kill us all. With the weapons of
universities cultivating as with covid: the means to kill those who are not part of
270 their group/ as is so consistent with history/ as is genocide of the others, for not
being “us”. “too many people; to survive”/ means someone has to die. IS THAT
NOT SO? SO AS with robots as well as disease: one tiny computer command
changes all robots into weapons. Or as with AI; one tiny computer command, and
everything valued can turn into death for life on earth; as it worms into
275 “everything; and in particular the military or universities control over life”.**

RE: the deliberate and willful intent, to destroy the constitution of this nation and this state of IL; by refusing its law, as does protect the democracy of this state and this nation. Which is called REDRESS OF GRIEVANCES. TO
280 KNOW WHAT IS, OR IS NOT TRUE/ never be forced to believe “you”.

TO DESTROY THE CONSTITUTION, by silence or any other means/
refusing its call for justice; AND ITS DEMOCRACY for we the people; IS AN
ACT OF TERRORISM. Because it goes beyond treason; to attempt the deliberate
285 destruction of an entire nation or state. Or as cult worship exists: to destroy
life and world, and assassinate every child. Not only defiance of our
government/ true acts of terrorism unleashed under the disguise, hidden by
the disgrace of; “our USA”; as universities in charge; no vote needed.

REDRESS IS: THE DEMAND FOR WE THE PEOPLE WILL DECIDE NOW, AS
OWNERS OF THIS STATE AND THIS NATION; BY OUR OWN INVESTIGATION OF THE
290 FACTS. The cost of being WRONG, by those who claim they are gods, who
need no authority to defy THE TRUTH OF LIFE; AS IS A MIRACLE. Demanding
their religion of evolution is all they need to participate in chaos controls the
earth and its life. Claiming billions of years; without the slightest real truth.

So let the question of facts be addressed as cause enough to declare;
295 THE LAW OF OUR LAND, SHALL BE ENFORCED, AND CREATED IN ACCORDANCE
WITH THE PURPOSES OF JUSTICE, AND FAIR PLAY: “FOR ALL THE PEOPLE TO
VOTE”. NOT a vote for someone to vote for me/ MY VOTE on the law of our
lives. When we vote on the law: WE RULE THE NATION/ “we know the law”!

AS IS THE DIRECTION OF: we are JUDGE/ OVER OUR EMPLOYEES. Our
300 government/ our nation or state/ OUR RIGHT OF LAW TO INTERVENE, when we
the people believe or acknowledge the truth of failure, that will kill us all/
the tragedy of gambling with our world/ the poverty of power overthrowing
our democracy, refusing law/ and the curse of universities claiming they own
the right to claim “being god over life, energy, poisons (water ended THE
305 APOCALYPSE), pollution's (LIFE ended); EVERYTHING cursed by the Satanic
verses of “university is god”. To be wrong; even if it kills every living thing on
earth/ including our world. Are you willing to die; “for university delusions?”

Denying ourselves the democracy required to intervene by investigation
of that truth; as proven in every trial provided against state and nation by
310 James F Osterbur. Denying the right of evidence as with COVID; and its blatant
curse by universities upon this world; by creating that disease. Denying the
overthrow of capitalism; which protects the resources; with counterfeiting of
currency, claims of authority to destroy our finite earth. Thereby the future
of this nation; and every child. AN ASSASSINATION OF EVERY CHILD; which
315 means no resources/ equals no life. By counterfeiting currency to over 700
trillion dollars; the poverty of INFLATION DENIED by media; proving the

freedom of the press.. has been destroyed. Cursing us all, with debts over
100 trillion dollars, that cannot be paid. Refusing the reality of overpopulation
is the end of life; as we eat all life on earth/ to become cannibals, as is the
320 only thing left to eat. Refusing world law decides; instead of leaders/ thereby
the law is used, to remove weapons of mass destruction; WHICH WILL BECOME
HELL/ if we do not. Refusing the truth: universities are NOT capable of
genetic change; ONE MISTAKE AND LIFE AS WE KNOW IT IS OVER. The LIES
of FAILURE, as is proven by evolution; the religion of universities overthrowing
325 life/ by claiming “chaos did it”; so they can be allowed: TO KILL LIFE BY
ADDING CHAOS TO IT. By indoctrination of their religion, called evolution on
every child; in this USA, this state of IL. The failure of democracy/ the curse
of human existence; by religious dogma and destruction. The end of our world;
by gambling with all life on earth as is mutilating nature (adding chaos), and
330 will become ARMAGEDDON (nature in chaos)/ and trying to ignite nuclear fire;
on this planet which is made out of fuel: burning atoms to release the energy
of 4 million times more Is: A fire that cannot be controlled, and releases a
radiation which will boil human life in seconds. And will become HADES on
earth. PROVE THE COST OF BEING WRONG, is not so!

335
**DEMOCRACY MEANS: “TO REMOVE the power of tyrants” to rule our
lives/ BY CREATING THE LAWS, WHICH ALLOW US ALL, TO RULE OURSELVES;
WITHIN the freedoms and boundaries that liberty will allow. To do that:
the end of “kings called money”/ will be addressed with limited
340 capitalism; which means we vote on the limits of income; and possession of
property; so that we are all within the boundaries of FAIR PLAY. To
achieve “justice for all”. LAW, NOT POWER.**

**WE ARE 9 BILLION PEOPLE ON EARTH; ruled by a tiny few leaders.
TODAY what we the world decides in OUR LAW OVER OUR LEADERS; will be
345 the rules they obey. Or as is consistent with their refusal; we will tear
them limb from limb; as the punishment deserved by those who force us
all into war or extinction; as the result of what they did do. THIS IS A
FINITE WORLD, and it is our only home! WE CANNOT LIVE WITHOUT IT.**

**“COULD a million people die to enforce world law; because of
350 leaders”? ARE YOU WILLING TO LET YOUR WORLD DIE? Duty is real!**

**REALITY SAYS, THAT IS LITERALLY ONLY ONE INDIVIDUAL PER EVERY
9,000 PEOPLE ON EARTH. Will they die? TELL YOUR SOLDIERS; obey this
bill of rights/ NOT your leaders. Because you defend us AS soldiers for; the
355 nation which gave you life. You are not; mercenaries, for leaders.**

so let us begin with the crimes of treason:

1. WAR as is proven by FDR prior to US involvement in world war 2/ IS NOT

ALLOWED, UNLESS APPROVED BY THE US CONGRESS IN OPEN SESSION. IT IS A CRIME OF TREASON: TO NOT OBEY OUR LAW. It is YOUR oath of office; that you swear to obey our law.

2. It is a crime against our nation: TO THREATEN ANY OTHER NATION, NOT AT WAR WITH US: with our military. TYRANNY IS NOT allowed.
3. Gambling with our nation, world, nature, habitat, species extinction, ocean life, global warming, poisoning the water, refusing overpopulation, destruction of resources, ozone destruction by planes, loss of oxygen by fire, loss of forests which release the atmosphere to accelerate, refusal to address the future of life or earth, pollution by the quadrillion ton, OR MORE SIMPLY; WE HAVE FOUND THE TERRORISTS, AND THEY ALL HAVE A UNIVERSITIES DIPLOMA. CURSING US ALL, WITH THEIR FANTASY AND DELUSIONS of playing god with life and earth. The cost of being wrong: is EXTINCTION. We must error on the side of life and world; universities refuse, by declaring themselves god/ cursing us all with delusions. WE MUST KNOW THE COST OF BEING WRONG!
4. The constant of terrorists is: they all proclaim “we must control the other terrorists”; by establishing the data; which allows NAZISM to exist. By finding and identifying ANYONE who might fight against the leaders of cult worship, as is the form of terrorism used by universities around the world. To know; who to attack/ to kill their families or happiness or bodies or whatever it is; because you know where to look. Terrorists form nazism; as hitler did do: to collect those he declared to be “undesirable”/ and force them to die or work as slaves. THE ONLY CAUSE to collect data on the public is to enslave them; as history proves true. OUR CONSTITUTIONAL LAW; WHICH KNEW THAT was amended with amendment 4: “the right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not be violated, and no warrants shall issue, but upon probable cause. Supported by oath or affirmation, and particularly describing the place to be search, or the persons or things to be seized”. ALL OF THAT LAW IS VIOLATED BY UNIVERSITIES KNOW BETTER; CLAIMING SUPERIORITY OVER OUR GOVERNMENT; ALLOWS for them to change our government to their own design. As is terrorism, at a lower level; CALLED TREASON/ or its companion “nazism: we, the power of weapons; are in charge now”. No law is needed. The curse of propaganda is mass hypnosis: people who say “I KNOW”/ but only what media tells them to believe.
5. To support the curse of terrorists in charge of this USA GOVERNMENT/ denying all rights, and using the garment of government to hide the truth of their decisions in PURE GREED governed by ABSOLUTE

400 ARROGANCE/ using APATHY AS THEIR WEAPON OF CHOICE (with such things as “doctoral students state: DON'T WORRY, if something goes wrong “evolution will just build something else/ in a billion years or so). By universities as their authority to do whatever they want; by claiming to be god. The expertise of INSANITY (and doctoral students which state; DON'T WORRY, there is not enough gravity to sustain a nuclear fire; so it will just extinguish itself) even though the fire produces the solar gravity itself/ the cult worship of Satan (we don't need no damn proof/ we are gods); as proven by the evidence of gambling with every living life on earth;'by their theories of fraud and fantasy as is the claim of a graviton which does not exist. **BELIEVERS one and all, in their religion of lies.**

405 *The following is partially described as my own involvement with them.*

410 1. DENIED my right to claim the authority of law in our government; both federal and state courts denied by right to file legal actions demanding of this court: YOU SHALL obey the law of our constitution. “claiming frivolous”. CLAIMING OUR RULES control constitutional

415 laws. As is the corruption of every value that democracy stands for. Discarded my guarantee to participate in the legal right; of democracy itself. A terrorist act. Rules do not control law!

420 2. Refuse the law by university corruption, decides; the courtroom with little variation was used to silence constitutional law; as with the US supreme court in 09-1339 and 11-0100 were docketed cases; which means only a judges ruling can cause them to leave. Their secretary removed those REDRESS OF GRIEVANCES TRIALS; to the trash/ by claiming an illegal authority. It was, and is treason to this nation. “do I sound frivolous?” they refused the laws/ they refused: truth.

425 3. demanding COURT ACTION through refusal of taxation: OBEY THE LAW OF REDRESS/ OR YOU HAVE NO authority to tax; as that is rebellion to our government. As is our constitution itself; THE LAW of this land. They attacked with roughly \$40,000.00 of penalty, and roughly \$15,000.00 in fines. Paying the fine/ DEMANDING A COURTROOM FOR

430 LAW; they agreed, and then threw me from the courtroom; as did the state of IL supreme court as well.

435 4. The IRS, federal REFUSED to allow my business truck deduction of \$8,000.00 AS WAS THE LAW; the leaders of the IRS in attendance in court refused fully aware it was their duty. While the state of IL IRS attacked with the claim they would steal my \$10,000 truck from me; declaring it was to be sold for \$500.00 while the rest was still my responsibility to pay: felony theft, backed off when I reminded them of criminal conduct/ using the policing force for thugs. OR MORE DISTINCTLY THIS STATE, And THIS NATION ARE FILLED TO

440 OVERFLOWING WITH CRIMINALS IN CHARGE OF OUR GOVERNMENT.
WITH terrorists who believe their job is to embellish crime; by
enforcing it; with policing through the court.

445 5. The US PATENT OFFICE stole from me the patents “worth billions” of a
new form of fossil fuel engine; designed for power plant usage among
other large format needs; by refusing to accept. I was an independent
person and entitled to the price of that reality. Instead they charged
an additional \$17,000.00 on top of the \$2,000 paid; and were clearly
intending to describe even more; because they could. In order to
steal, by declaring it abandoned. STOLEN by the filth and conspiracy
450 to make the others rich/ or the CORRUPTION of denying to the public
changes in their own best interest to protect the power this is. Which
was true of the demand to pay, by denying the proof of reality. As is
the cost of universities, demand full control over government; CRIME
DOES PAY the universities. Who gain all the money from counterfeiting
and debt creation; to destroy life on earth with their fantasy
455 experiments without value. Laundering that stolen money from our
securities by turning banks into the “creators of cash; for their army
of insurgency”. Giving bribes to make the public be silent; as is the
job given to wall street. While other forms of investment are strewn
with the fraud and failures of “what a computer can do”. The
460 disgrace of government employees who will not do their job/ or
follow their own rules; as is highlighted in another trial. Allows
“hitler” to be reinterpreted, by those who want the insurgency out.
While federal appeals lies in open court/ in realities they know are
465 untrue; and then throws out the evidence so they cannot be accused
of that crime. While the state appeals court; denies access, by
making the claim that not only do I have to pay for a written
transcript of trial/ they will not accept it; UNLESS I pay another \$200
plus for having it emailed to them (push a button). Or the refusal of
470 law; to face its accuser: OBEY OUR CONSTITUTION OR BE LABELED
FRAUD. As describes the court of this state and this nation. Which is
so lazy and blatantly destroyed by arrogance, apathy, and disrespect;
as to not be considered “the law”. Only the power of those who
control them with counterfeiting money. The believer who believes
475 regardless of the evidence or what is true; because they want what
they want/ and to hell with everything else. Removing power;
requires that we the people make the decision, or establish those who
can. Such as patent holders shall decide inventions. Prisoners shall
decide who can or cannot be released: by creating a value for being
480 correct/ and a punishment if you are not; for the whole prison. Along

with other true modifications of what is fair.

- 485 6. As with COVID: NAZI invaded our lives/ and the SS soldier; invaded every store and framework which interfered with survival/ by claiming as terrorists in charge of deciding for all the rest. As hitler (and so many others) did do for Germany. They would enforce the violation of life and body; by cult worshiping their leaders of universities is government. Nazi refers to: the power to cause great harm/ just because the poverty of “devil inside”, declares, you want too. NO EVIDENCE WAS PRESENTED; only the constant hallucination of media paid in billions/ from the trillions collected by universities decide; and get everything they want. Including the factory lines of mutilating nature now in mass. To the shame of this nation. Evidence was deleted from my websites; lies were spew n from all facets of medicine to claim what was not in evidence; by lies and its theft of trillions by making the public believe they have no choice. Giving to the murderers who released a biological weapon against our world; ALL THE MONEY AND RIGHTS TO DENY LIFE ITS RESPECT; they did want. By controlling the population by demanding FEAR, DAMN YOU FEAR! While they produced a vaccine without the evidence of truth; which as history proves true; could literally have been anything they wanted to use. As it made no difference; and the death count did not change, as is the constant of a pandemic. The disease the universities released failed to kill the masses: but those who released it; are guilty of murder. And we DO deserve all our money back, with interest and penalties to those who lied to benefit their cult or themselves.
- 490
- 495
- 500
- 505 7. Murderers who lead this nation by indoctrinating every child with useless information; and claims; “to have a diploma from universities is to make MILLIONS more; than not”. While in reality; they contribute next to nothing as a group/ and only a tiny few among them contribute anything other than CRIME AND IT'S DELUSION OF PLAYING god. THE DESTRUCTION of value in learning. The CLAIM of WE DESERVE MORE; because the universities have enslaved us with debts/ and control the “human resources” to hold out those who do not belong to the cult of universities as god. Reflects a communist takeover; as their claim of “nobility; WE DESERVE IT ALL/ YOU MUST be our slaves”: lacks substance/ and seeks to destroy democracy from our lives. This state gives to universities ANYTHING THEY WANT; forcing us all into bankruptcy; as is clearly described by \$165 million for the assembly hall renovations (no real change/ universities took nearly all for themselves) in Urbana/ and their 130 million dollar “emperors box” for the football stadium. Pension plans, healthcare

- 520

anything the cult worshipers want: at our expense/ as slaves to their
whim. Because they took control over government; as an insurgency
of diplomas; who cared nothing at all; for truth in life. Causing
525 depressions and suicides and more; in the constant search for money;
TO PAY the debt of their own slavery to “university is god”. Which
means: DO WHATEVER WE SAY/ or we remove you from “the army of
rebellion payroll”. As is funded by the clear conspiracy and collusion:
530 to steal the securities of this USA; BY COUNTERFEITING ITS CURRENCY
to junk status. By destroying its infrastructure. By selling off its
manufacturing. Killing its diversity of business and industry. Defeating
its claim of resources. Selling its property to foreigners. Denying
information needed by selling the press to power. Pursuing war, to
535 prove and provide FEAR WILL CONTROL THEM. But nothing more so
than disease; as is the intent to create a vaccine for us/ and a
fooled you; for them; as is the constant of history. Controlling
business and industry; so as to keep the public unaware of how much
currency was used to fund “ANYTHING THE UNIVERSITIES WANTED”/
540 AS IS EVIDENT by the realities of what they did do. As is ALL FOR
THEM/ nothing for life or nation or world. Greed abandoned; for
POWER. Evolution is religion; no proof exists; beyond their lies.

8. The change in governmental control: that is WE THE PEOPLE WILL
NOW DECIDE FOR OURSELVES. As is evidenced by my own case of
545 healthcare. A broken fibula (lower leg small bone) broken; a ten day
way for surgery/ roughly one hour of surgery to produce 8 screws in a
strip of stainless steel; that in the end cost \$66,000 dollars/ and I had
to tell them to stop or take me to court: NO MORE will be paid. Or its
later companion: a lump appeared on my leg; chased around with
550 useless details to pad the bill/ and then refused care by the surgeon;
who claimed, because no one was physically present during surgery
scheduled for 15 minutes, with tylenol as their medicine of choice. No
surgery would be done/ as was the case. So I said: NO CARE/ NO PAY;
and the clinic told me; never to come back. As is healthcare today in
555 this USA. OUR TURN TO DECIDE; IF EXTORTION OR RULES WITHOUT
VALUE: IS ALLOWED? OR BY OUR OWN CHOICE; WE THE PEOPLE WILL
DEMAND, NO MORE OF THIS; and create real world changes in
healthcare as is consistent with real world human truths. WE will own
the patent of medicine; and KNOW the statistical truth of it. WE will
560 demand to know the statistical reality of all medicine; and its
doctors; in full view for all to see. In a nation without values;
courtesy of universities in charge. We will enforce: you work for us/
and pay a fair wage to those who do/ and those who teach; BASED

UPON the results. No more paying whatever the universities demand: they will be paid based upon what they accomplished for society; and that means a percentage of income. Those who did not receive the job they worked for/ do not owe their teachers. Universities who made every threat of extinction; that surrounds us this day. The universities diploma which guides state and national government in its entirety/ controls the judiciary in its entirety/ educates in its entirety/ decides EVERYTHING in its entirety; including the military, religion and more: IS SUBJECT TO REVIEW. IS OUR NATION OR STATE "BETTER OFF TODAY"/ than before they took control? Because WE THE PEOPLE OWN THIS NATION, and we will decide who can run it now; with redress to guide our way into constitutional changes; protecting our democracy, from the anarchists who want to destroy life on earth. By playing god "with EVERYTHING". WE BEGIN WITH IGNITING A NUCLEAR FIRE; which cannot be controlled. Thereby terrorists; who kill an entire world, in one single instant of ignition. Because they believed they were gods; and sold us as slaves, by stealing everything: from "every one". With 2 million dollars of currency per face: how is that not so? While media reported nothing but lies. Propaganda removes currency from inflation: hiding truth.

9. The universities claim of superiority has FAILED. Their claim of expertise has FAILED. Their claim of religion by evolution; IS AN OUTRIGHT LIE. Their claim to be gods who can mutilate nature because its all just chaos; IS TERRORISM. Their claim to ignite fusion into a nuclear fire: IS SATANIC. OR more clearly; by the evidence of what they did do: WE HAVE SUFFERED ENOUGH DISASTER, because they were in charge of this nation, and drove it UN-ending by their choices: into poverty and despair/ and a constant state of EXTINCTION THREATENS US ALL.. IS VERY REAL.

6. HAVING STOLEN FROM ME, and this entire nation. BY INFLATION HIDDEN FROM PUBLIC VIEW THROUGH MEDIA PROPAGANDA. THE DEMAND FOR AN ACCOUNTING, OF THIS NATION; *this state of IL*: WITH ABSOLUTE OPEN BOOKS, AND NO ALLOWANCE FOR LIES (our you go to prison for a long time). The claim is currency over 700 trillion dollars; which is equal too 2 million dollars of currency in circulation per human citizen. *One trillion dollars is equal to ten thousand dollars per each and every one of one hundred million workers: before taxes are paid*. WHERE IS MY MONEY? Because your stole my security for your games. You betrayed us all with taxation hidden from view. You allowed the taxation of tariffs without congressional start or approval by the house. You are enemies of

605 the nation itself; as the duty to defend us; is without doubt errant in the
culture of a cult. As YOU DID for millions of other workers, who are
betrayed by greed, and its selfish traitors: the universities diploma in
charge of that currency/ our nation; for over fifty years now/ since
Reagan; and even beyond. The cult overthrows truth/ with pride. WHILE
610 THE YOUNG WILL DEMAND: WHY ARE WE INDEBTED FOR YOUR CLAIM of
payment by over 100 trillion dollars? Which requires an accounting to
address WHERE DID THE MONEY GO/ and WE DO WANT IT ALL BACK. No
excuses allowed: if it did not fully provide for the nation/ THEN IT WAS
strictly for the universities who took it all; and the bribes they used to
615 cover their crimes. Inflation is about the rise of currency/ not the
control of resources to cover the crime of bankruptcy for state and
nation. Our money, our lives, our future, our decision; not yours. Means
unless you have constitutional authority to bankrupt us all: IT IS A CRIME.
Steal property and lives; to sell it; to yourselves. Destroy the nation by
selling it off to foreigners. Destroy the future by selling off its resources.
620 Destroy the world by refusing to deal with ANY PROBLEM; THAT MATTERS
TO LIFE ITSELF. DENYING infrastructure “ to play such games as “lets go
to mars”. And more; we deny to the universities and their diploma:
every right/ every claim/ every purpose beyond what by our own vote as
a nation; you are allowed to do. You will CLEAN the refuse/ every single
625 bit dumped on our world, at your own expense; or we will take from
you/ as you took from us. No excuse allowed.

7. RETURNING THIS NATION TO A WORKING REALITY; where truth decides
what we can and will do for ourselves/ IS A MASSIVE TASK OF ABSOLUTE
DISASTER follows every single decision by the universities diploma. WE
630 MUST WORK TOGETHER; or we die as a nation/ because of their
terrorism. The betrayal of us all. EACH STATE aligned with its own truth
of lies and tragedy courtesy of “university knows”. AN ACCOUNTING in
every single one; to prove what is true/ NO LIARS ALLOWED, as is the
constant of covid. INSURE THEY KNOW; PRISON WAITS, and few will be
635 free ever again. BECAUSE WE WILL hunt you down; for all the damage
you caused as a cult who claimed to be god/ so you could make decisions
that only benefited YOU.. true law/ never needs to be changed.
8. OUR NATION/ OUR CHOICE; and we will remove the electoral college
from constitutional law. NO MORE buying the presidency! The public shall
640 decide. NO MORE VOTING FOR SOMEONE TO VOTE FOR ME; ON THE LAWS
THAT I MUST OBEY. We will vote on the law of this land; EACH CITIZEN
GETS ONE VOTE/ NO more or to prison you will go. Whosoever makes
the law/ rules the nation. Which means DEMOCRACY DEMANDS; that we
the people shall now make our own laws; ending the tyranny of power

645 (lets make the cry), over us all. By our choice; WE WILL INVITE THE
WORLD TO PARTICIPATE: IN WORLD LAW/ AND THE END OF WEAPONS OF
MASS DESTRUCTION; by international policing as we demand it will be.
NO LEADER/ NO NATION ON TOP. NO EXCUSES “BIG OR SMALL”. SAME
LAW FOR ALL. NO EXCEPTIONS. We the world are the law; NOBODY is
650 exempt; but only leaders shall be targeted by international rights.

9. Our nation/ our choice: to implement LIMITED CAPITALISM; FOR JUSTICE
AND FAIR PLAY to all citizen/ as equal as is fair. By changing the
constitution in all ways and means to do as the preamble of our
constitution decrees: “to form a more perfect union”. To control natural
655 resources for all the people as is consistent with the future we must
protect. To end the claim of unions forever/ by removing the power of
owners; beyond what is fair. Clamping down hard on the size of
factories, the resultant loss of resources; and everything about business
or industry: until justice for all is served. Which does not mean;
660 claiming all are equal/ we are not. It means: justified by truth, and a
future for life; shall decide. DE-WEAPONIZE money.

10. Our nation/ our choice: to remove all influence of power over the
judiciary. And control them by grading their performance as benefits this
state or nation/ and REMOVING ALL THOSE who fails us as a nation or
665 state. IT IS OUR COURTROOM, never theirs. Our job and our duty to
insure FAIR PLAY shall be the establishment of justice/ NOT POWER. To
accomplish real world answers: the judiciary shall be divided into those
who literally can “decide mechanical issues fairly”/ as well as every
other form of professional “yes or no” question to be dealt with. The
670 same judge shall not decide issues which he or she has no working
knowledge of. We however by our vote: shall evict those who fail us; the
constitution says “during good behavior”. Only.

11. Our nation/ our choice: to decide on healthcare by choosing what
shall be done or not done; and distributing domestic tranquility as its
675 price. Removing the claim of investors; by establishing WE ARE THE
OWNERS HERE/ HAVING already paid for every building and all its
equipment by the fraud of extortion extracted from the nation. No more
control over the nation or medical refusal; the only security we have is A
CAMERA AND MICROPHONE shall watch over surgery. And whosoever can
680 diagnosis illness correctly, shall be paid accordingly: to reduce mistakes
to a minimum; hidden patients shall be displayed as a medical need/ and
the reality of their diagnosis shall be collected. Medical malpractice is
limited to intentional; which is criminal. Suing for payment is
determined by society decides/ not trial. WE will determine the penalty
685 and its cost. OUR NATION/ OUR CHOICE; no more of this!

- 690 12. Our nation/ our choice; to create a bill of rights as is needed for the public/ the policing/ the military, and any other form of invasion as can happen; which includes the disaster OF PUKE AND VOMIT BY UNIVERSITIES on us all: as is called “covid”/ by making our decisions NOW. A bill of rights: informs each one of their own responsibility in matters of liberty versus freedom. To confront each other within the lines drawn by laws we enact to protect each other: does mean, there is a limit to freedoms claimed in these situations; as chosen by the people for themselves, and their police, and their military, and so forth. WITH A
695 TRUE bill of rights: leaders lose their power to control the others/ and law becomes real. Democracy, not mass hypnosis or hysteria.
- 700 13. Our nation/ our choice: to take away the universities diploma by removing it from their command entirely. NOBODY GETS A DIPLOMA; UNLESS THEY CAN COMPLETE THE NATIONAL TEST; as is defined by public participation: to prove they are competent to the task they ask for. UNLIKE POLITICS which has proven the diploma is worthless. THERE SHALL BE; limited diplomas to do something specific as needed. NO SCHOOLING REQUIRED; ONLY TRUTH OF VALUE. More distinctly: no schooling shall be noted/ only yes or no; this one, as needed: has been
705 given the right to proceed in this field or profession.
- 710 14. Our nation/ our choice: to remove the education from universities, and give it to ourselves. REPLACING THE LIES WHICH CONTAIN THE YOUNG AS PRISONERS OF THE UNIVERSITIES; or lost by their claim of ownership over everything. With real world instruction as allows for the participation in society; immediately upon leaving public school. As such medical training begins at age 9/ and all things related to truth and value; by the elders who are willing to commit time for instruction shall be done. But no credit of money, will be given to the youth; until they are 21 years old> training lets you begin/ BUT REALITY ITSELF is required
715 to make you correct in what you do. You cannot compete, without reality guiding the way. The evidence: LIARS LEAD.
- 720 15. Our nation/ our choice: TO FIGHT FOR OUR WORLD/ and sustain life here on earth; by the choices we will now make. The reality of planes which burn ozone to ignite their fuel; IS A DISASTER OF PURE FAILURE/ because we cannot replace ozone/ and without it radiation will take everything away. And their use is equal to roughly one billion BTU'S of heat released per every single flight of millions per year. ONE TINY CHANGE; OF VERY MANY THE UNIVERSITIES HAVE REQUIRES US TO MAKE: REALITIES, that you don't want to make. BUT, if you don't your world is
725 dead. ITS NOW OR NEVER; EXTINCTION/ OR SAVE OUR WORLD? CHOOSE. Without ozone; every plant in this world will die/ same as

global warming in excess. We all die.

- 730 1. The constant of universities plague of diseases, against life, society,
world, nature, child, living, health, existence, happiness, hope, love,
truth, trust, values, respect; AND MORE: is manipulation of the facts/
by creating distractions or false information. By loading every claim
with delusions of math or words in other foreign languages which the
average citizen does not know. Therefore CERTAINTY OF KNOWLEDGE,
735 which allows for a vote; REQUIRES that all information given shall be
such; where no person of average intelligence would be deceived or
manipulated to believe. To insure that is so: ANYONE who fails to
deliver the message of truth to the public for dispersal. SHALL IN FACT
740 identify what is correct and true to the public in words they do
understand/ or be delivered to prison isolation; UNTIL they figure out
how to deliver the message so that the people do understand.
- 745 2. Distractions are not allowed. Called for testimony does not include
any protections from the law: you will answer correctly, so that all
can understand. NOTHING shall be hidden from view; or finding in you
fraud/ will not be less than one year in prison, as is consistent with
common incarceration. THERE IS NOTHING THAT CANNOT BE
EXPLAINED; TO MAKE THE PUBLIC UNDERSTAND. ABSOLUTELY
NOTHING, because in the real world; those who do understand, can
explain it to those who don't; until all accept the truth: belief is not
enough. WE MUST KNOW. WE must make an informed by truth vote.
- 750 3. **REMOVING THE DEADHEADS** of universities delusion and fantasy
means: NO MORE STUDIES/ NO MORE EXPERIMENTS/ NO MORE ACCESS
TO GOVERNMENT/ NO MORE ACCESS TO MILITARY/ NO CONTROL OVER
OUR LIVES, FACE, FORM, OR ANY PARTICIPATION; beyond a citizen, if
you disavow the curse of human failure that is universities in our
755 lives. Particularly no more access of any kind to our currency/ our
government, our debt creation, labor, property, or anything else
associated with living in this nation or this world. You are removed
from all authority/ and chained to what we will decide for you; just
as you decided “nothing but threats of extinction/ and enslavement”
760 for the rest of us. A dead world/ gambled by fools; who believed they
are gods. The plague and pandemic of universities failure; is over. WE
THE PEOPLE DECIDE NOW/ and by vote; we will determine: what a
university can or will become; in the prison of your containment. Or
the removal of your extreme threat to our world.
- 765 4. Because no matter how much you believe “university cult descent”;
they are responsible for every threat of our extinction. Responsible
for the curse upon this nation and this world. Responsible for the

770 assassination of every child, by rampaging over resources, and
poisoning the water/ creating the pollution/ selling us all out, for
their own gain/ propaganda to incite violence against us/ and every
form of attack by hidden forces against this USA nation that has been
possible for them to do. As is the enemy of this USA/ DELIBERATELY
trying to destroy our nation; because as fools do; their brain is dead.
775 The rampage of counterfeiting our currency; to create their own
“delusions of grandeur” is over. The attack on every form of
independent business is dead. Using our own education system to
indoctrinate every child into their cult of Satan; is insanity. Attacking
our lives with weapons of mass destruction ends; with world law.
Removing the control of money ends with limited capitalism.
780 Demanding truth decides; discards the fantasy of universities and
their worthless sewage of delusions; forever. Because when the
curtain is raised, and reality is in view: those who claim to be our
gods/ are only former classmates, who were never superior to any of
us. Ever! They are however the curse of death; to our world, its
785 nature, and every living thing that exists as a true miracle of life.

5. WE BEGIN WITH: THEIR CLAIM OF FUSION [already proven to be a lie;
by Lawrence Livermore Labs in San Francisco in 2012]. but anarchists
and thieves WANT the money, power, and pride of continuing on.
Claiming they will do the only thing possible with their experiments;
790 WHICH IS TO IGNITE SUN FIRE, here on earth/ as is their claim.
Discarding EVERY LAW, to scream “we know better”. Discarding every
value of living, to scream: “we don't have to worry/ gravity will
extinguish a million mile long flame; with extreme radiation”; EVEN
THOUGH they don't know what gravity is. Filling text books with
795 THEIR fantasy, claiming elements unproven to exist, denying the
realities we know exist, and forming the cult of Satan; which intends
to ignite an atomic fire, on this planet made out of fuel/ which will
incinerate all life on earth. No greater hate exists; proving they are
indeed: Satan on earth. And that is only a small part of an intent to
800 liquidate life on this planet; “with their big brain/ and its proven
cancer of fools in charge”. As begins extermination with the single
instant of ignition/ if not before. SO WE ACKNOWLEDGE THE TRUTH
OF THAT; BY CREATING A MORATORIUM TO INVESTIGATE THE COST OF
BEING WRONG. And decide their place in our world according to what
805 we find is true. EXTENDING BEYOND THAT; WITH MUTILATING
NATURE; CREATING BIOLOGICAL WEAPONS AGAINST US ALL AS WITH
COVID; DESTROYING PEACE AS WITH WEAPONS OF MASS
DESTRUCTION; POISONING LIFE; POLLUTING; KILLING THE OZONE;

- 810 OVERPOPULATION WHICH WILL EAT US ALL ALIVE; REFUSING TO
SUSTAIN ANY FORM OF LIVING, because everything the entire fortune
of this nation has gone into is: WHATEVER THE UNIVERSITIES WANT.
And none of it is beyond the fantasy of their delusions; OTHER THAN
WEAPONS, AND FAILURES OF IMAGINATION; DESIGNED, TO KILL US ALL.
6. The sewer of fools called a judiciary denies the authority to judge
815 whether or not: the universities can kill us by what they do. Claiming
they are not the experts who can do that. SO WE MUST DO IT FOR
OURSELVES. AND THAT MEANS: AS WITH THE SUN, which they claim
an intent to bring here. **DO YOU ACCEPT THAT SUN
FIRE (NO MATTER WHAT THEY CALL IT)/ CAN
820 INCINERATE YOU, AND THIS WORLD;** BY REFUSING TO
EXTINGUISH ITSELF. WHAT THEY CLAIM TO BE “A MILLION MILE LONG
FLAME”. **IF THEY ARE WRONG? YES OR NO?
SIMPLE AS THAT.** YOUR judiciary refuses; but
wrong means: **“same fire/ same result”**, and
825 solar flares are measured separate from the sun
at roughly 12 million miles long.
7. Do you want them to gamble with this entire
earth, your LIFE AND NATURE: OR NOT? Because
there is no escaping: WRONG! AND THAT
830 means: WE STOP THE UNIVERSITY, AND ITS CULT
CALLED SATAN (followers: we believe); NOW.
8. The puke and vomit of a university serpent; hides in the bowels of US
GOVERNMENT; feeding on rats, and creating the vermin of a lying/
cheating/ diseased effigy of what America once was. DESTROYING
835 OUR NATION: Because the cursed took control; and changed what had
some degree of value, into DEATH FOR A WORLD. DIG DEEP, or they
will escape in the sewer of their own filth.
16. Life as we all know it to be; “is over”! Because the simple truth of
universities lead is; they have defeated all of humanity, with their
840 fraud and worthless fantasies or delusions of power. 9 billion people
means; we no longer have the resources, the water, the food, the
foundations, or the purposes of labor or any other human behavior that
has been the constant of our lives on earth. Universities have defeated
our ways of dealing with this earth; and we are stuck in the abyss of

- 845 constant want, that is our death of life on earth.
17. Which leaves us all with the choice: to accept what truth decides we can do for ourselves/ or die. And the world says; WE DO THAT NOW! But it is not true, because you do what you want/ you believe whatever you want/ and you refuse to do what truth demands must be done to
850 save this earth. Which makes humanity: LIAR. At a minimum, survival says. **TRUTH DEMANDS;** that we will share the work, share the food, quit damaging nature/ end all universities experimentation/ remove weapons of mass destruction/ and turn to world law with international policing by our own means of “what is fair”. Along with limited
855 capitalism; **so that money is not a weapon** to be used against us all, anymore. That game too is dead. And the people scream: I JUST WANT TO BE HAPPY/ LEAVE ME ALONE. But the universities have created the delusion of “truth does not matter”/ and FANTASY everywhere. So life cannot survive on lies. And if we do not confront those lies/ they will
860 consume us all; with extinction. Because only truth survives; even becoming eternal, because truth identifies the law that will govern our universe. Which means: in this expanse of time, the foundation of everything; is dedicated to thought, and the reality or purity of how that form in life experience or expressed will exist. Even in you.
- 865 18. As is the body of time: we cannot escape our own truth; it is, what it is/ and we must accept that governs, what is our own relationship with time. OUR WORLD IS ATTACKED BY the fantasy and delusion of people who run the UNIVERSITIES. People, who believe (no truth required) they can be gods. **THEY ARE WRONG,** and to save our
870 existence on this planet: WE MUST REMOVE THE THREAT UNIVERSITIES CREATED, THAT WILL BECOME OUR EXTINCTION FROM THIS EARTH. Not a game, real life truth. The delusion of merit; takes our world away with the fantasy of what they believe is true. Because they want it to be true/ NOT because it is true. SO THIS WORK ASKS DELIBERATELY;
875 because you gamble with our lives, our nature, our future, our world, and even our eternity. We must let truth decide what survival will mean; and do it accordingly. Or be enslaved onto death; by extinction.
19. **The point of this lawsuit is:** WE THE PEOPLE OF THIS EARTH: “DEMAND YOUR PROOF OF REALITY; the laws you depend upon”/ to
880 gamble with our everything? BECAUSE WE MUST QUESTION: **THE COST OF YOU, BEING WRONG:** WITH OUR LIVES, OUR EVERYTHING. So convince us all, or quit destroying our world. **BECAUSE WE OWN THE LEGAL RIGHT/ THE FOUNDATION OF LIBERTY;** TO SAY NO YOU CAN'T.
20. The judiciary says: “we are not the experts”/ we cannot decide
885 this matter. AND MEDIA is merely the propaganda means of university;

to make you believe; through mass hypnosis as with covid. The dead cannot help! Even though **the cost of being wrong is extinction** for life on earth. CONSEQUENTLY REDRESS OF GRIEVANCES SAYS: **WE MUST, and we WILL: DECIDE FOR OURSELVES.** If these people are

890

worthy to gamble with life itself/ or even our world/ and the cost of being wrong: an eternity called HADES. University terrorists will scream; “you can't stop us”! But the foundation of life is: “you cannot kill us, with the religion of your cult”; belief is not enough. Truth must decide. RESPECT for our world, our nature, our lives MUST RULE YOU.

21. Universities will demand of me, as will many others: YOU ARE NOBODY/ WE WON'T BELIEVE NOTHING YOU SAY; “WORTHLESS”. But I am not asking anyone to believe me or in me or let me be your leader/ that is worthless. I AM SAYING AS A MEMBER OF LIFE ON EARTH: WE CANNOT LET THESE PEOPLE BE WRONG. Therefore they must identify what they believe is true: because we must defend ourselves; from the extinction which follows their failure. Because universities are gambling WITH ALL LIFE AND WORLD; believing they can play god. I say; only the god of Satan (destroyer of a world) is evident here; in adding chaos to nature/ or igniting an atomic fire. WRONG IS EXTINCTION! NO second chances. Truth is truth, and it cannot be changed.

895

900

905

22. **Prove what you claim is true; to humanity on earth. Simple as that! We need not believe you/ YOU CHOOSE TO GAMBLE WITH OUR LIFE AND OUR WORLD. YOU RISK OUR EXTINCTION! WE OWN THE RIGHT TO DECIDE FOR OURSELVES; IF WE LET YOU DO IT!**

910

23. Digital copy: www.jamesfosterbur.com
the people say: no one has a right, “to threaten our lives, nature, or world”!
A moratorium on all experimentation that is or could be; a danger; till we decide! NO government official has the right to bankrupt us all/ or other!

915

BUT, THIS: is a nation of liars, traitors, thieves, cheats, whores for money, terrorists, and cult of Satan worshipers as is evidenced by what universities do. The reality of truth; that is filled with government; by diploma only is allowed here. And the consequences of those things: allows for them to create delusions and fantasies of word and propaganda of media; to influence the believers in as always: “truth don't matter”/ or, believe damn you believe. In the constant of lies and theories without foundation beyond their own imagination. Science has no reality in their claim of “how the sun works”/they call it IMAGINATION. BY, destroying law and reality, as a means of labeling their beliefs; as knowledge. BUT EVEN SO: THE CRITICAL QUESTION HERE IS: HOW WILL YOU GUARANTEE TO THIS WORLD/ that given nothing to experiment with, because you cannot see within the sun.

920

925

HOW WILL YOU CONTROL THE FIRE YOU INTEND TO IGNITE? Because the same fire/ produces the same result; which means the earth becomes a sun; and all life is incinerated. Even you!

930 **Which then requires of this lawsuit: to enable the definitions of law,**
that will not be defeated by lies. Or only the true religious zealot demands
obedience to their definitions of want/ no claims of fantasy. TRUTH
DEMANDS: THE VAST MAJORITY WILL TRULY UNDERSTAND, and recognize their
vote.

935 WE THEN BEGIN; once more!

1. THE SUN releases energy, by burning fuel. We know that, because we feel the heat of its radiation 94 million miles away. We know the reality of that fuel being used up exists; because nothing less, can bring it here.
- 940 2. THE SUN: burns the bond in atoms to release its heat and radiation/
because WE KNOW that nothing less than an atomic fire; can produce the heat found in this solar system. It is similar to burning the molecular bonds in chemistry that we call fire here. BUT their science claims/ and atomic bomb releases; establish a 4 million times more energy release in
945 atomic versus molecular fire. Which turns a candle flame into a 62 mile high fire flame; instantly. The cost of being wrong.
3. THE SUN: CANNOT burn with high heat in its center/ because if it did, that would mean ALL THE FUEL IS ENGULFED IN THAT RELEASE OF HEAT(the consequence of what invades the boundary line of an atomic or molecular environment; and shakes it with radiation). IF ALL THE FUEL is being burned at once from its known source/ then the fire DOES NOT LAST, and we know the sun does.
- 950 4. THE SUN: is not made of hydrogen/ however the ash cloud of that fire is. Neither is the sun made of “graviton (claimed an atom 15 larger than lead) a fictitious element that does not exist. Just like the fiction of CERN which claims “new elements”/ by showing a computer screen; does not exist. The cause atomic elements do not exist beyond a specific size is: they destroy themselves beyond that size.
- 955 5. ATOMS: “are not magic/ as declared by science”. Their energy comes from SPIN. Because WE KNOW, that a spinning mass contains energy. And we know that a spinning mass contained within a vacuum environment which does not allow contaminants. Will allow that spin to continue without losses of note. Atomic energy is the energy of spin. And the neutron which is the example of “dark energy”; is that environment of
960 atomic enclosure.
- 965 6. ATOMS: are not forced together to create new atoms; as the delusion called fusion/ as Lawrence Livermore labs proved does not exist in 2012;

970 which started on “april fools day”. The mass is accelerated in a
supernova event/ and it is enclosed with that neutron by pulsar ejection
of that dark energy of a black hole releasing: too much material inside
the core. When they meet each other; each having different
975 characteristics: they combine into elements based upon direction/ size/
shape/ the amount of neutron deposited/ and distance from the ejection
port; with different characteristics; including deformations from
spherical. That combining of elemental forces (push and pull energy)
creates the spin enclosed; and it is much faster: than the speed of light.

980 7. THE SUN: CREATES HEAT, by the frictional release of atoms forced: to
be glancing into each other/ at speeds the electron shield cannot
protect from. To remove the neutron a little at a time; releasing light in
the process of that “like toy tops bumping into each other”. Once
enough of the environment has been destroyed; the mass of kinetic
energy escapes and becomes heat released into outer spaces. Because
the force of heat as is radiation; PUSHES IT. The neutron however being
985 OPPOSITE of a kinetic response to push out some (into solar gravity)/
while the rest pulls back into the core of the sun (internal gravity);
which cools the mass beneath the flames. Allowing longevity.

990 8. THE LAW of thermodynamics: DEMANDS, that heat release occupies more
space/ than cold. Therefore like a candle flame: the heat rises from the
fuel source, and sucks that fuel into the flame. Which means there is an
UN-occupied space above the “sun mass”; where no flame exists. As with
a candle the fuel is sucked up into the rise of heat; as that heat source
invades and releases the fuel of atoms into the fire itself. A solar tornado
means: a dense mass not willing to release. Whereas a solar flare is a far
less dense mass that simply released itself en-mass; into the flames;
995 and escapes as an internal to the flame environmental anomaly. HEAT
causes the flame to rise/ as it goes farther from the fuel source it cools/
and then drops closer to that fuel; which is the eleven year sun cycle.

1000 9. GRAVITY; is then assigned by the disciplines of law. Which begin as: a
spinning mass has energy of that mass in motion; but without a balance
to that motion; IT ESCAPES INTO SPACE, and is lost. As is illustrated by a
rock on a string you spin in a circle; it pulls out/ and if the string is not
strong enough; will break the string and be lost into space. Therefore we
know, that every atom as does contain energy of motion; must have an
opposite energy of anchored motion to offset and control that kinetic
1005 motion/ or time (the controlled release of that atomic motion, by its
electrons will not exist). Therefore we know that a mass is found to be
kinetic in force/ while the neutron is found to be “dark energy: to
anchor that kinetic force. The neutron is then gravity; and its existence

requires a slight bit more force to contain the energy of mass in motion;
as a reality of law. Which is the basis of gravity itself. A bigger mass
contains more neutron energy, than a small one: thereby an attraction.

10. PROVE ME WRONG. Because the ignition of a nuclear fire: IS
LITERALLY ALL THE EXPERIMENTS AND MACHINES OF “UNIVERSITIES” can
do. There is no fusion/ and there is **no control over a fire**
“WITH BY THEIR ESTIMATE” contains million mile
long flames.

11. **THE HUMAN CURSE OF FOOLS IN CHARGE OF OUR LIVES; extends**
to the betrayal of all life on earth; by universities genetics/ and their
religion of evolution. EVERYTHING ON EARTH IS BUILT BY THOUGHT. As
we do all know: “chaos (evolution) builds nothing”. Claiming not even a
brain for billions of years; which means no learning/ no decision of any
kind; can exist. BUT BY THEIR RELIGION OF EVOLUTION; THESE
TERRORISTS BETRAY LIFE ON EARTH; BY INJECTING CHAOS INTO OUR
NATURE/ experimenting with our own lives; and destroying the future
with their proven SATANIC DELUSIONS; that are absolutely insane.

12. They claim that genetics can be manipulated “one step at a time”
to wipe away every tear/ and keep humanity alive on earth; because the
universities claim to be gods. REALITY HOWEVER PROVES such stupidity
and pure disgrace of believers and their cult of lies; HAS NEVER BEEN
MORE WRONG IN THE HISTORY OF LIFE ON EARTH.

13. *Nature does not build one piece at a time; like an orchestra in
symphony: life builds a body of renewal all at the same time. With
materials selected, transported, changed, bound together, isolated from
each other; timed by the billionth of a second. CREATED like your
skeleton one piece at a time, lubricated one piece at a time; with
hundreds of muscles woven, interlaced, tied and controlled one piece at
a time. WITH EVEN YOUR EYELASHES AND TEARS, THE LENGTH AND
DISPLACEMENT OF YOUR TOES, AN THE TOUCH OF YOUR FINGERS; all
conceived by thought, and assembled by perfection; so that you can be
human. AS IS EVERY LIVING THING DESIGNED BY THOUGHT, AND BUILT BY
LAWS CONTROLLED WITH FORCES beyond your imagination.*

14. TO YOUR SHAME; you let the dead brain of human sewage, as is
called “science religion”; destroy life on earth. WITH YOUR OWN
PUTRID ARROGANCE, complete disregard for life and truth; to pursue
your own wants, as god. SHAME ON YOU. “THE LIARS DIAPER” OF
FOOLS. Because there is no going back/ no second chances; in truth.

15. OR, as is the constant curse of humanity: “we believe” represents
humanity refuses to learn what is true/ and controls life, by declaring

what I want; is true enough for me. EITHER GET YOUR HEAD OUT OF
1050 THE “university” ASS; **OR GO EXTINCT.**

16. TAKE BACK YOUR WORLD; from the satanic cult, determined
to destroy life on earth; “the universities”. As is evidenced by
1055 threats; surrounding us all: WITH EXTINCTION, and the
consequences of “HELL”.. the constant of life is; that force will
continue its journey/ unless dissipated into extinction. HADES will
not let that happen; as is “nuclear fire”! The critical question: does
your life remain in that force? “forever”.
